

CUPE National Women's Conference

CUPE Women:

Leading, Organizing, Resisting

Join CUPE women from across the country for four days of connecting, supporting, and building women's power in the union, in the workplace, and in our communities.

Members will explore how to fight for gender equity and expand women's leadership through bargaining, political action, and member mobilization. The conference will feature exciting speakers, panels, discussions, and skills building workshops.

Don't miss this chance to voice your experiences and share your thoughts on how to make our union stronger, safer, and more welcoming for all!

All expenses, accommodation, and wage coverage paid by CUPE 454.
