We are looking for a CUPE staff member who is interested in supporting this year's United Way campaign as an Associate member. This program represents a unique professional development opportunity for a Delta CUPE employee to receive training from the United Way and to participate in their annual campaign, enabling the associate to develop skills and take part in experiences that they would not otherwise have.

### Term

The program runs from August 28 to December 15, 2023

**Based out of the United Way's Burnaby Office**

As a representative you will work with the United Way office as an extension of the United Way campaign staff team, providing key support required for the more than 360 workplace campaigns that take place each year.

We are looking for someone who is creative, outgoing, detail oriented, organized and has great written and verbal communication skills. The successful associate should be interested in learning about and supporting outreach programs and initiatives and needs to have some computer skills (both in MS Office and to help create digital content, if necessary).

### Requirements

No previous fundraising or account management experience necessary

Valid drivers license

**Please submit your resume to  
CUPE Local 454  
By August 7 via email**
