# **Bargaining Update**

*September 29, 2023*

At the September 27th meeting, the committees continued to stand firm on the issues that are a priority for our members. As you know bargaining is a challenging process however, with your continued support we will fight tirelessly to ensure that your voice is heard.

Our next bargaining meeting is scheduled for **October 10th**. We will provide you a further update following that meeting. Also, we would like to remind you that our next **membership meeting** is on **October 18th**.

In solidarity,

*Your Bargaining Committees*
