A Temporary Full-Time Employee is an employee who is employed on a full-time basis as set forth above, for a definite and limited period of time (which may be extended or cut short by circumstances which could not be foreseen at the time of hiring).

A Regular Part-Time Employee is an employee who is employed on a regular part-time schedule of weekly hours which are less than the number constituting full-time employment for a particular class of position, for an indefinite period of time.

(b) Board's Responsibility

The Board agrees to undertake the responsibility for notifying Temporary Employees, Part-Time Employees and Auxiliary Employees of their status at the time of their employment.

8. HOURS OF WORK

8.1 Hours of Work

- (a) The regular hours of work for employees of the Board shall be seven (7) hours per day, eight (8:00) A.M. to four (4:00) P.M. with one (1) hour off for lunch Monday through Friday. No overtime shall be worked by any inside employee except with the express approval and authority of the appropriate Department Head, and the hours of overtime worked shall be certified by the said Department Head to the Payroll Department before compensation is made.

Compensation for overtime worked shall be in accordance with the provisions of Article 9 and shall be provided when an inside employee is required to work in excess of seven (7) hours in the regular work day.

- (b) Authorized Variation in Start and End Times

Effective October 18, 2023

Employees may start and end their workdays at times other than those specified in subsection (a) above (i.e., 8:00 a.m. to 4:00 p.m., Monday through Friday) with the agreement of their Manager or Department Head. Such variations in start and end times shall be subject to the operational needs and requirements of the department or division in which they work and shall not result in any adverse impact on the efficient delivery of services.

8.2 Hours of Work – Public Information Representatives and Quality Assurance Reviewers

For the purpose of this Article, Public Information Representatives and Quality Assurance Reviewers shall be exempt from Article 8.1. The hours shall be as spelled out below:

Public Information Representatives and Quality Assurance Reviewers – Variable shifts subject to the following conditions:

- (a) A shift shall be twelve (12) consecutive hours including ten and one-half (10½) hours of work and two (2) forty-five (45) minute unpaid lunch periods. Employees shall work four (4) consecutive shifts followed by four (4) consecutive shifts off.
- (b) The total hours worked shall remain the same as an employee would have worked on the seven (7) hour/five (5) day week schedule on the basis that for every twelve (12) hour shift that an employee works, the employee will accumulate one-half (½) hour of time off to be granted periodically (e.g., in 8 weeks an employee works 28 shifts x 10½ hours = 294 hours, compared to 40 days x 7 hours = 280 hours; the extra 14 hours is the accumulation of ½ hour x 28 shifts and is the amount of time off that an employee would accumulate in 8 weeks).

Wherever possible, float time off shall be taken within the eight (8) week period from the time it was worked. Where float time off has not been scheduled or taken, prior to the end of the calendar year, any float time in excess of forty-two (42) hours will be paid out. Any hours carried forward from the previous calendar year will be paid out at the current rate of pay.

Note: Please see Hours of Work and Accumulated Time Off Letter of Understanding attached to this Agreement.

Note: For employees on staff as of 2000 October 12, current float time banks as at 2000 December 31 shall be red circled and will be drawn from only where the employee has exhausted their current float time bank. Where an employee leaves the employ of the employer the red circled float time bank shall be paid out at the employee's current rate of pay.

8.3 Minimum Guarantee

Effective October 13, 2023

The Board agrees to provide to all Regular Full-Time Employees upon completion of twelve (12) months of service, a minimum guarantee of either thirty-five (35) or forty (40) hours per week exclusive of overtime depending upon the number of weekly hours set out in Schedule "A".

- (b) Subject to the provisions of Article 8.5(c), an employee other than a school student on a school day who commences work on a scheduled shift, shall receive the employee's regular hourly rate of pay for the entire period spent at the place of work, with a minimum of four (4) hours' pay at the regular hourly rate.
- (c) In any case where an employee (i) reports for a regular shift but refuses to commence work, or (ii) commences work but refuses to continue working, the employee shall not be entitled to receive the minimum payments set forth in Sections 8.5(a) and 8.5(b).

8.6 Training

This provision is applicable to a maximum of two (2) training days per calendar year per full-time employee.

The provisions of Article 9 (Overtime, etc.) shall not apply to the two (2) training days covered by this Article 8.6. Any additional required training courses that occur on a full-time employee's day off shall be paid at overtime rates.

9. OVERTIME, CALLOUT, STANDBY, MEAL BREAKS, MEAL ALLOWANCES AND OVERTIME BANKING

The following provisions shall apply for all overtime, standby, callout, meal breaks and meal allowances:

- (a) Overtime shall be defined for Regular Full-Time and Temporary Full-Time employees as:
 - (i) time worked, immediately following the employee's regular shift;
 - (ii) time worked immediately preceding the employee's regular shift where it has been prescheduled by notice provided prior to the end of the employee's previous regular shift;
 - (iii) time worked at any other time where it has been prescheduled by notice provided prior to the end of the employee's previous regular shift except as otherwise provided in Article 12.
- (b) Regular Full-Time Employees and Temporary Full-Time Employees shall be paid for the performance of overtime work under Article 9.1(a) at the following overtime rates:

- (i) time and one-half (1½) the rate of pay for the first two (2) hours of overtime worked immediately preceding or immediately following an employee's regular shift.
- (ii) double the rate of pay for all time in excess of the first two (2) hours worked immediately preceding or immediately following an employee's regular shift.
- (iii) double the rate of pay for all time worked at any other time than immediately preceding or immediately following an employee's regular shift. Employees shall be paid a minimum of one and one-half (1½) hours at double time for overtime worked pursuant to this paragraph (b)(iii).

9.2 Overtime Banking

- (a) Employees who are required to work overtime shall elect at the time of working such overtime whether to be paid for it or instead to receive compensating time off in lieu. An employee who elects to receive compensating time off, shall be credited with compensating time off equivalent to the number of hours which the employee would have been paid for the overtime worked and, subject to an employee's request to be granted compensating time off being approved by the Department Head (or delegate), such employee shall be granted any portion of the compensating time off at the pay rate or rates in effect at the time the overtime in question was worked. All compensating time off credited during a particular calendar year but which has not been granted to an employee by March 31st of the immediately following year shall be paid in cash at that time at the pay rate or rates in effect at the time the overtime in question was worked.
- (b) Notwithstanding paragraph (a) above, employees may bank compensating time off to a maximum of fifteen (15) working days based on the employee's regular daily hours. All overtime earned after that will be paid and not banked.
- (c) Notwithstanding the March 31st payout in paragraph (a) above, employees may request a full or partial payout of their overtime bank upon two weeks' notice to the Employer. Such payout will be at the pay rate or rates in effect at the time the overtime in question was worked.

9.3 Callout

Callout is to be defined for Regular Full-Time Employees and Temporary Full-Time Employees as being called back to work at any time following completion of an employee's regular shift except when prescheduled by notice provided prior to the end of the employee's previous regular shift which is defined as overtime in Article 9.1.

- (a) An employee who is called back to work shall be paid double time for the time actually worked plus one (1) hour's allowance for travelling to and from home, with a minimum of three (3) hours' pay at double the rate of pay. (The minimum includes one (1) hour for travelling time.)

Notwithstanding the callout minimum, an employee who is at the work place prior to the commencement of the employee's regular shift and who is required to commence work prior to the commencement of the employee's regular shift, shall be paid in accordance with the overtime provisions for the actual time worked prior to the commencement of the employee's regular shift.

- (b) If additional calls are made upon the employee prior to the expiry of the three (3) hour period or prior to the employee's arrival home, whichever last occurs, such additional calls shall not attract an additional three (3) hours minimum, but the employee shall be paid for the time actually worked plus an additional one (1) hour's allowance for travelling to and from home. If two (2) separate callouts are completed within a three (3) hour period, the minimum payment shall be four (4) hours at double the rate of pay. (The minimum includes two (2) hours for travelling time.)
- (c) When an employee is contacted for assistance and is able to resolve the problem over the telephone (or by computer) and does not have to report to a worksite, the employee shall be paid double the employee's regular rate of pay for the actual time worked, with a minimum of one (1) hour. Any subsequent contacts that occur within one (1) hour of the first call shall not result in any additional payments. A contact that occurs after the one (1) hour period shall result in another one (1) hour payment at double the employee's regular rate of pay. An employee will not be eligible for this form of callout should a return to the worksite (Callout, Clause 9.3(a) above) result from the issue being discussed.

9.4 Cost Recovery

Where an employee works overtime and/or is called out to deal with situations where the Board is able to recover the overtime and/or callout costs from Emergency Management BC, the Board shall have the option of paying the employee for such overtime and/or callout, or granting the employee compensating time off in lieu of being paid for such overtime and/or callout.

9.5 Standby

- (a) Employees who are designated to stand by between the end of a regular day shift on the first day of work in a week (excluding public holidays) until the beginning of the regular day shift on the last day of work in a week shall be paid one (1) hour's pay at the rate of pay for the position the employee is on standby for, for each period of eight (8) hours that the employee stands by in addition to any callout pay as earned under Article 9.3.
- (b) Employees who are designated to stand by for a call to work at any other time (that is during public holidays and weekends) shall be paid one (1) hour's pay at the rate of pay for the position the employee is on standby for, for each period of six (6) hours that the employee stands by in addition to any callout pay as entitled under Article 9.3.
- (c) Where the period of time which an employee stands by exceeds a multiple of six (6) hours or eight (8) hours (as the case may be) the residual balance shall be compensated as follows:

- (i) one-half ($\frac{1}{2}$) hour's standby pay for periods of half or less than half of the full period.
- (ii) one (1) hour's standby pay for periods of more than half of the full period.

9.6 Meal Breaks

(a) During Overtime

If an employee is required to work overtime immediately following or immediately preceding the employee's regular shift, then upon the completion by the employee of two (2) continuous hours of such overtime work, the employee shall be given a paid meal break of one-half ($\frac{1}{2}$) hour which the Board may permit the employee to begin at any time within the two (2) hour period; provided however that, except in the case of an emergency, the meal break shall begin no later than the end of the two (2) hour work period. Upon completion of each succeeding three and one-half ($3\frac{1}{2}$) continuous hours of overtime work, the employee shall be given another paid meal break of one-half ($\frac{1}{2}$) hour which, except in an emergency, shall be taken no later than the end of each three and one-half ($3\frac{1}{2}$) hour work period.

(b) During Callouts and Pre-Scheduled Overtime

An employee who completes three and one-half ($3\frac{1}{2}$) continuous hours of callout work, or overtime work occurring at any time other than immediately following or immediately preceding the employee's regular shift, shall be given a paid meal break of one-half ($\frac{1}{2}$) hour which the Board may permit the employee to begin at any time within the three and one-half ($3\frac{1}{2}$) hour work period; provided however, that, except in the case of emergency, the meal break shall begin no later than the end of the three and one-half ($3\frac{1}{2}$) hour work period. Upon completion of each succeeding three and one-half ($3\frac{1}{2}$) continuous hours of callout work, or overtime work, the employee shall be given another paid meal break of one-half ($\frac{1}{2}$) hour which, except in an emergency, shall be taken no later than the end of each three and one-half ($3\frac{1}{2}$) hour work period.

- (c) For each meal break given to an employee under Article 9.6(a) or 9.6(b) the employee shall be paid one-half ($\frac{1}{2}$) hour's pay at double the employee's rate of pay.
- (d) Where by reason of an emergency it is not feasible to give a meal break at the designated time under Article 9.6(a) or 9.6(b) it shall be taken as soon as practicable and in addition the Board shall be responsible for supplying a reasonable form of nourishment during the course of the work at such time as the employee would have been otherwise entitled to a paid meal break.

12. VACATIONS AND PUBLIC HOLIDAYS

12.1 Public Holidays

Effective October 18, 2023

All Regular Full-Time Employees and Temporary Full-Time Employees shall be entitled to a holiday with pay on the following public holidays: New Year's Day, Family Day, Good Friday, Easter Monday, Victoria Day, Canada Day, British Columbia Day, Labour Day, National Day for Truth and Reconciliation, Thanksgiving Day, Remembrance Day, Christmas Day, Boxing Day, and any other day appointed by Council to be a municipal holiday.

PROVIDED THAT:

- (a) whenever one of the above-mentioned public holidays falls on a Saturday or a Sunday and the Government of Canada and the Government of British Columbia, or either of them in the absence of the other, proclaim that such public holiday be observed on a day other than Saturday or Sunday, then the day so proclaimed shall be read in substitution for such public holiday;

SAVE AND EXCEPT THAT:

whenever one of the aforementioned public holidays falls on a Saturday or a Sunday and neither the Government of Canada nor the Government of the Province of British Columbia proclaims that such public holiday be observed on a day other than Saturday or Sunday, or the proclamations of such governments do not proclaim the same day for the observance of such public holiday, then not less than seven (7) calendar days prior to that public holiday, the Board shall post a notice or notices in conspicuous places so that each employee affected thereby may have ready access to and see the same, designating the employee's holiday entitlement in accordance with one of the following methods:

- (i) one (1) day's pay at the regular rate of pay, or
 - (ii) a holiday with pay within the calendar year in which such public holiday falls, on any normal working day which immediately precedes or immediately follows one (1) of the employee's normal rest days or one of the public holidays hereinbefore defined in this Article 12.1.
- (b) in the case of an employee's termination of service for any reason, adjustment will be made for any overcompensation provided under paragraph (a)(ii) herein.
- (c) prior to the posting of any notice advising the employees of their entitlement under paragraph (a) herein, the Board will afford the Union an opportunity to discuss the substance of the notice.
- (d) notwithstanding receipt of a day's pay for a public holiday, it shall not be considered as time worked for the purpose of calculating overtime.

12.2 (a) Employees Who Normally Work on Public Holidays

- (i) Except as otherwise provided in Article 12.1 with respect to public holidays falling on a Saturday or a Sunday, if an employee whose duties normally require such employee to work on public holidays, is required to work on any public holiday named in Article 12.1 which falls on any day from Monday to Friday inclusive, then such employee shall be paid the regular pay for the holiday and in addition thereto shall be given compensating time off equivalent to one and one-half (1½) times the number of hours worked between 00:00 and 23:59 on the day of the public holiday.
- (ii) If an employee is required to work on the day off given in lieu of a public holiday, pursuant to the provisions of this Article 12.2(a) herein, then in lieu of such

holiday the employee shall be paid the regular pay for the public holiday plus double the regular rates of pay for the hours worked on such day off. Time worked beyond the employee's normal daily hours on the day off given to the employee in lieu of a public holiday shall be treated as overtime. For the purpose of this Article 12.2(a) a public holiday does not include a holiday designated by the Board pursuant to Article 12.1 unless the employee is entitled to that holiday with pay in lieu of a public holiday.

(b) Pay for Hours Worked on Public Holidays

The premium rate which is paid for hours worked on public holidays is not to be treated as an overtime premium but overtime rates will become applicable if work on a public holiday extends beyond the employee's normal daily hours. Employees working on a public holiday will receive the premium for all hours worked between 00:00 and 23:59 on the day of the public holiday.

(c) Observation of Public Holidays

Whenever a public holiday falls on a Saturday or a Sunday and is observed on a weekday, that weekday shall be treated as the public holiday for purposes of attracting premium rates for employees whose duties normally require them to work on that day, and work performed on the Saturday or Sunday shall not attract public holiday premium rates. However, if prior to the beginning of any calendar year the Board and the Union agree to recognize the Saturday or the Sunday as the premium day for those employees whose duties normally require them to work on public holidays, they may do so, but there may only be one premium day for such employees with respect to any one public holiday.

(d) An employee (except an employee governed by Article 12.2(a)), who is required to work on a public holiday defined in Article 12.1 which falls on or is observed on any day from Monday to Friday inclusive shall be paid the regular pay for the said holiday plus double the hourly rate of pay of the employee computed on the basis of the normal working hours for the hours worked on the holiday.

12.3 Where Statutory Holidays or public holidays declared by the Municipal Council occur while an employee is on annual holiday, extra days in lieu of such holidays shall be granted.

- (b) With respect to any leave of absence granted without pay, the Board shall continue to pay each representative's regular wage or salary and shall render an account to the Union for such amount, including the Board's contributions on behalf of each such representative for group life insurance coverage, medical coverage, dental coverage, sickness and accident insurance coverage, and municipal pension. Upon retirement from the duties as an officer of the Union, such former Union officer shall be entitled to return to a position within the class of positions to which the employee's former position was allocated and for which the employee is qualified if any position within such class is held by an employee with less seniority. If all of the positions within such class are held by employees with more seniority or have been abolished, such former Union officer shall be entitled to return to any other vacant position for which that employee is qualified.
- (g) The Board agrees that any employee who might be elected or appointed to a full-time position with the Canadian Union of Public Employees, the Vancouver Labour Council, the B.C. Federation of Labour or the Canadian Labour Congress shall be granted leave of absence without pay and shall not lose seniority in the service of the Board while on such leave of absence. 1. It is agreed that prior to 1978 December 31, the provisions of the new standard clause "Daily Guarantee" referred to in paragraph 10 of the Memorandum of Agreement dated 1978 April 21, will not be applied to those situations where the nature of the work is such that Auxiliary Employees as defined in this Schedule, are required to work for periods shorter than four hours per day. In such situations, it is furthermore agreed that the parties to the Memorandum of Agreement will make joint application to the B.C. Board of Industrial Relations for exemptions from the provision of the B.C. General Minimum Wage Order No. 1 (1975)
2. Separate pools will be established for seniority purposes effective 11:59 P.M. on 1978 December 31, in each jurisdiction, i.e., one or more Regular Seniority Pools depending upon existing practice and an Auxiliary Seniority Pool.
3. Access to the Regular Seniority Pool will be extended to:
 - (a) all Regular Full-Time Employees upon completion of the probationary period contained in their respective 1978 Collective Agreements;
 - (b) all Temporary Full-Time Employees upon completion of the probationary period contained in their respective 1978 Collective Agreements;
 - (c) all Regular Part-Time Employees upon completion of the same number of hours as are applicable to a Regular Full-Time Employee occupying a similarly classified position;
 - (d) any other employee whose 1978 Collective Agreement provides access to the Regular Seniority Pool or Pools.
4. Upon qualifying for a Regular Seniority Pool, an employee will be credited with the full period of service or all hours worked since the employee's first day of employment in one or other of the eligible categories, i.e., Regular Full-Time, Temporary Full-Time or Regular Part-Time. For the purposes of this paragraph 4, the expressions "full period of service" and "hours worked" shall be interpreted by each individual Employer and by its respective local Union in accordance with present agreement.
5. Access to each Auxiliary Seniority Pool will be extended to all Auxiliary Employees upon the conditions set forth in paragraphs 5-20 inclusive.
6. Effective 11:59 P.M. on 1978 December 31, all Auxiliary Employees who were employed during 1978, will be credited with the total number of hours which they worked for their Employer during 1978, and all Auxiliary Employees who were employed during 1977, and who worked 900 hours or more for their Employer during 1977, will be credited with the total number of hours which they worked for their Employer during 1977.

7. Effective 2000 October 12, as soon as an Auxiliary Employee has worked 1200 hours within two consecutive calendar years, such employee will gain entry onto the Auxiliary seniority list and will be deemed to possess seniority.
8. Upon gaining entry onto the Auxiliary seniority list, an employee will be credited with the number of hours worked in any class of positions, and will hold class seniority in any such class accordingly.
9. An Auxiliary Employee's seniority will be lost as the result of a break in service with the Employer which exceeds one year.
10. An employee who has gained entry onto the Auxiliary seniority list, will continue to accumulate class seniority in any class in which the employee works in accordance with the number of hours worked in a position within such class.
11. Where pay ranges exist, eligibility for advancement from one step to the next (increment) shall be based on the number of hours served by a Regular Full-Time Employee for such eligibility.
12. Each Employer is to elect not later than 1978 September 01 whether class seniority is to be exercised bargaining unit wide or within some narrower parameters, e.g., by program or by geographical area. Such decisions will not be made until each local union has been provided with a full opportunity to submit suggestions and to discuss the matter. In the case where any problem or disagreement arises between local parties, it will be understood that a C.U.P.E. staff representative and the G.V.R.D. Director of Labour Relations will be available to assist such local parties.
13. The decisions of the various Employers will be reported to the C.U.P.E. J.N.C. by the G.V.R.D. Labour Relations Department within the first week of September 1978.
14. In the event of a layoff of Auxiliary Employees within a class (whether the layoff takes place within a program, a geographical area or across the entire bargaining unit) those employees having greatest seniority within the class shall be the last ones laid off.
15. Other than as might be provided for pursuant to the terms of paragraph 14 herein, no Auxiliary Employee shall have the right to bump another employee after having been laid off.
16. An Auxiliary Employee having class seniority, and having been laid off, must, if the employee wishes to be considered for future Auxiliary employment, elect to register with the Employer for future Auxiliary employment in which case such employee will be given preference in hiring for future vacancies within various classes on the basis of the employee's class seniority.
17. Registration for future Auxiliary employment will be made upon a standard form which will be signed and dated by the applicant and which will state the classes within which the applicant would be willing to accept a position. The completed form will be signed and dated by an authorized representative of the Employer, and both the applicant and the Union will be provided with a copy by way of receipt.

18. When an Auxiliary Employee who has attained class seniority, who has been laid off, and who has registered for future Auxiliary employment, also registers a desire to be taken into consideration for Auxiliary work in a class for which the employee does not possess class seniority, the employee shall be taken into consideration for appointment to a position within such new class on the basis of such employee's skills, knowledge and ability, and in any case where there is no registered applicant possessing seniority in the new class in question, and where such employee's skills, knowledge and ability are sufficient so as to render the employee qualified, then:
- (a) if the Auxiliary Employee is the only registered and qualified applicant, the employee shall be appointed to the said position.
 - (b) if the Auxiliary Employee is one of several registered and qualified applicants, the appointment to the said position shall be based on their relative skills, knowledge and ability, and if their skills, knowledge and ability are considered to be equal, then the registered and qualified applicant possessing the greatest total Auxiliary seniority with the Employer, shall be appointed.
19. Auxiliary pool seniority may be exercised commencing at 11:59 P.M. on 1978 December 31.
20. All existing practices which recognize the accumulated seniority of Auxiliary Employees, and which are clearly recognized by mutual agreement between a Union and an Employer, will continue to be recognized until 11:59 P.M. on 1978 December 31.
21. Fringe benefit provisions will not be altered during 1978 as the result of any of the foregoing.
22. Benefits and % in Lieu for Auxiliary and Regular Part-Time Employees
- (a)
 - (1) Subject to the provisions of paragraph (a)(2), commencing with their first day of employment, all Auxiliary Employees shall receive an amount equal to twelve percent (12%) of their total earnings (i.e., including overtime pay) in lieu of annual vacations, public holidays, group life, medical, extended health benefits and dental coverage. No other benefits will be provided to Auxiliary Employees unless expressly stated in this paragraph 22.
 - (2) Auxiliary Employees will remain entitled to twelve percent (12%) of regular earnings which premium payment shall be considered to be in lieu of all benefits including those providing time off with pay such as bereavement leave, except that those employees who have acquired Auxiliary seniority shall be entitled to sixteen percent (16%) in lieu of all benefits.
 - (3) An Auxiliary Employee who has been employed full-time for more than six (6) continuous weeks shall commence on the first day of the seventh (7th) week, for the duration of full-time employment, to be designated as Temporary Full-Time. Upon being converted to Temporary Full-Time the employee shall cease to qualify

for a percentage in lieu of benefits and commence serving the eligibility period for provisions applicable to Temporary Full-Time Employees. The eligibility time periods shall include the six (6) week period worked as an Auxiliary Employee.

- (b) (1) A Regular Part-Time Employee who occupies a position with a regular schedule of core hours each week equal to or greater than twenty (20) hours shall receive the following benefits:
- (i) a payment of ten percent (10%) of regular earnings in lieu of vacation and public holiday pay;
 - (ii) Medical, Extended Health, Group Life and Dental on the same basis as full-time employees except the eligibility periods shall be calendar months; the Employer shall pay their contractual portion of the premiums for Medical, Extended Health, Group Life, and Dental.
 - (iii) sick leave coverage on a prorated basis (including a proration of the maximum sick leave accumulation), calculated on the same proportionate basis as the Regular Part-Time Employee's weekly schedule of core hours bears to the full-time hours for that class of positions; Regular Part-Time Employees shall qualify after the same eligibility period applicable to full-time employees except it shall be calendar months for Regular Part-Time Employees; and
 - (iv) WorkSafeBC coverage on an approximate net pay basis after completion of six (6) calendar months of employment.
- (2) Where a Regular Part-Time Employee's core hours are increased such that the employee qualifies for the benefits in paragraph (b)(1), the employee's current service shall count towards the benefit eligibility periods.
- Where a Regular Part-Time Employee's core hours are reduced such that the employee no longer qualifies for the benefits in paragraph (b)(1), the benefit coverage will cease at the end of the month in which the hours are reduced and the employee shall be paid a percentage in lieu of benefits pursuant to paragraph (b)(3) commencing on the first of the month following the expiry of the benefit coverage.
- (3) All Regular Part-Time Employees not covered by paragraph (b)(1) shall be paid an amount equal to twelve percent (12%) of their regular earnings which premium payment shall be considered to be in lieu of all employee benefits, including those providing for time off with pay, provided however, that those Regular Part-Time Employees who have worked the equivalent of six (6) months shall have such pay in lieu of benefits increased to sixteen percent (16%) of their regular earnings and shall be eligible for the benefits contained in paragraph (b)(4) below.

- (4) Upon the completion of six (6) calendar months of employment, all Regular Part-Time Employees shall also be entitled on a prorated basis to the same Bereavement Leave and Court/Jury Duty Leave and on a full basis to the same Maternity Leave and Parental Leave to which Regular Full-Time Employees are entitled, provided that a Regular Part-Time Employee shall not be paid the ten percent (10%), twelve percent (12%), or sixteen percent (16%) of regular earnings when on unpaid leave of absence.
- (5) No other benefits shall be provided to Regular Part-Time Employees unless expressly stated in this Article.
- (c)
 - (1) A public holiday, as defined in Article 12.1 of this Agreement, will be treated as a normal working day for all Regular Part-Time Employees. Thus, an employee who works on a public holiday will be paid at straight-time rates for the normal daily hours and at normal overtime rates for any hours worked in excess of normal daily or weekly hours. Similarly, an employee who does not work on a public holiday will not receive any pay or compensating time off in lieu of the holiday.
 - (2) Auxiliary Employees who have been employed for at least thirty (30) calendar days before the public holiday date recognized by the Delta Police Board and have earned wages during that thirty (30) calendar day period, shall be paid one and one-half (1½X) times their regular hourly rate of pay for the normal daily hours worked on a public holiday and two (2X) times their regular hourly rate of pay for hours worked beyond the normal daily hours worked on a public holiday. An Auxiliary Employee who does not work on a public holiday will not receive any pay or compensating time off in lieu of the public holiday date recognized by the Delta Police Board.
- (d) Normal daily and weekly hours shall be deemed to be eight (8) and forty (40) respectively for all Auxiliary Employees except in the case of an Auxiliary Employee working in a twelve hour shift position, in which case the normal daily and weekly hours shall be deemed to be ten and one-half (10½) and forty-two (42) hours.
- (e) For the purposes of applying overtime rates, normal daily and weekly hours for all Regular Part-Time Employees shall be deemed to be those of a Regular Full-Time Employee whose position is similarly classified.
- (f) Regular Part-Time and Auxiliary Employees shall be paid for overtime work at the following rates:
 - (1) Time and one-half (1½X) for the first two (2) hours worked in excess of the normal daily hours in a day;

- (2) Two times (2X) for hours worked beyond two (2) in excess of the normal daily hours in a day;
 - (3) In any case where an employee has already performed work on five (5) days during the week, time and one-half (1½X) for any hours worked prior to 12:00 Noon on the sixth day of work in that week, two times (2X) for hours worked after 12:00 Noon on the sixth day, and two times (2X) for all hours worked on the seventh day of work in that week.
- (g) No shift differential premiums will be paid to Auxiliary Employees unless they are relieving Full-Time Employees on shifts that would otherwise carry such premiums.
23. All Temporary Full-Time Employees shall be provided with benefits on the same basis as they are provided to Regular Full-Time Employees by their respective Employers, except where the Agreement specifies a different waiting period; no Temporary Full-Time Employee shall be entitled to coverage under the Municipal Pension Plan until the employee has been employed continuously for 12 months.
24. In any case arising after 11:59 on 1978 December 31, where Temporary Full-Time Employees are hired for a specific project and are advised at the time of being hired of the expected duration of the project, the Employer will notify the Union as soon as possible in the event circumstances subsequently arise which have the effect of terminating the project earlier than had been expected and announced.

SCHEDULE "C"

This is Schedule "C" referred to in
Article 20 of this Agreement

1977 NEGOTIATIONS

The Board and the Union agree as follows:

The following is item 21 from the Memorandum of Agreement signed by the parties 1977 June 14.

21. With respect to the Union's proposal for a Compressed Work Week based on present hours, it is agreed that decisions regarding whether or not, and if so, to what extent compressed work weeks should be introduced into the operation of any of the Employers, should be made in local discussions between individual Employers and their respective Local Unions. It is agreed, however, that arrangements for the conversion of fringe benefits from a 5-day week basis to a 4-day week basis or to a 9-day fortnight basis shall be made in accordance with one or other of the standard formulas the details of which are set forth in Appendix "A" which is attached to this Schedule "C".

It is expressly agreed that the various formulas which are to be included within all new Agreements, are to be based upon the principle that any adjustment from a 5-day week is to be accomplished with neither any additional salary or benefit cost to the Employers nor any reduction in the salaries or benefits received by their employees.

APPENDIX "A"

This is Appendix "A" referred to in
Section 21 of Schedule "C"

Principles Governing the Conversion of Employee Fringe Benefits in Cases of Introduction or Renewal of Compressed Work Weeks

In the event that any of the parties to this Memorandum of Agreement decide in local discussions to extend the existing conversion of, or to convert the work week of the employees staffing the whole or a part of an Employer's operations, from five (5) working days to four (4) working days per week or to nine (9) working days per fortnight, it has been agreed that such employees' fringe benefits shall be converted as follows:

1. Basic annual working hours shall be calculated as $260.89 \times$ daily working hours as per the 5-day week; e.g., $260.89 \times 7 = 1826\frac{1}{4}$, or $260.89 \times 7.5 = 1956.675$.
2. Basic annual public holiday hours shall be calculated as $11 \times$ daily hours as per the 5-day week; e.g., $11 \times 7 = 77$, or $11 \times 7.5 = 82.5$.
3. Account shall be taken of the difference in basic annual rest period allowances; e.g., 52.178 weeks $\times 5$ days $\times 20$ minutes ($=86.96$ hours) in the case of the standard 5-day week; $52.178 \times 4 \times 20$ minutes ($=69.57$ hours) in the case of the 4-day week; and $52.178 \times 4.5 \times 20$ minutes ($=78.27$ hours) in the case of the 9-day fortnight.
4. Employees shall have at least two of their days off in any week consecutive, and such days off shall for purposes of Overtime pay be deemed to be the "first scheduled rest day" and the "second scheduled rest day". Pay for any work on the third day off in any week shall be in accordance with normal daily overtime rates.
5. For the purpose of Overtime pay on scheduled working days, normal daily working hours and the normal work week shall be considered to be those lengths of time established by the parties pursuant to paragraph 8 herein.
6. Annual Vacation entitlement and all credits for Deferred Vacation, Sick Leave benefits and Gratuity benefits shall be converted from working days to working hours by multiplying the number of days to an employee's credit by the daily working hours as per the previous 5-day week. All deductions or debits shall be made on the basis that each working day of absence shall be measured as the length of time established by the parties pursuant to paragraph 8 herein.
7. Notwithstanding any clause in a Collective Agreement to the contrary, an employee shall not receive pay for acting senior capacity where the employee has been temporarily required to

APPENDIX "A" (cont'd)

accept the responsibilities and carry out the duties of a senior position because of the absence of the incumbent of that senior position due to the compressed work week.

8. In order to establish the length of the compressed work day and the compressed work week, the parties are to be governed by the principle that the basic annual working hours less basic annual rest period allowances are to remain the same under the compressed work week as they were under the standard work week.

The parties will be free to decide how to deal with the matter of public holidays in accordance with one or other of the three following ways, and their decisions will determine automatically the lengths of the compressed work day and work week:

- (a) Revert to a standard 5-day week in any week when a public holiday occurs;
 - (b) Change days off during any week when a public holiday occurs in order that each employee will work on 4 days in every week of the year with the sole exception being when Christmas Day and Boxing Day are observed in the same week in which case each employee will work 3 days in that week and 5 days in the immediately preceding week;
 - (c) Have a compressed work day off with pay for each public holiday, and owe the Employer the difference in hours between the length of the compressed work days and the length of the employee's former standard work day.
9. Whenever any doubt arises as to how the fringe benefit conversion should be made with respect to any item (whether or not covered by this Appendix "A"), the doubt shall be resolved by reference to the basic principle agreed upon by all parties to this Memorandum, i.e., there shall be no additional salary or benefit cost to the Employer, and no reduction in the salaries or benefits received by the employees.

2007-2011 NEGOTIATIONS

The following are items 19, 20, and 23 from the Memorandum of Agreement signed by the parties on 2007 July 30:

19. Peer Training Committee

The Employer and the Union agree to establish a Joint Committee consisting of not more than two (2) representatives of the Union and two (2) representatives of the Employer. The Committee shall meet to study, review and discuss potential peer training opportunities for inside staff (other than supervisory). The Committee shall report its findings and recommendations by 2007 December 31 to their respective principals. Such recommendations shall be implemented by mutual agreement of the parties.

20. Classification Review Committee

The Employer and Union agree to establish a Joint Committee consisting of two (2) Employer representatives and two (2) CUPE representatives to review a select number of current positions for classification consideration. The Committee shall report its findings and recommendations by 2007 December 31 to their respective principals. Such recommendations shall be implemented by mutual agreement by the parties.

23. Auxiliary Scheduling Committee

The Employer and the Union agree to establish a Joint Committee consisting of not more than two (2) representatives of the Union and two (2) representatives of the Employer to discuss the scheduling and duration of auxiliary shifts including working on the sixth or seventh day of work in a week.

The Committee shall reports its findings and recommendations to the Chief Constable and CUPE 454 President by 2007 December 31 for final consideration.

2012-2015 NEGOTIATIONS

The following is item 6 from the Memorandum of Agreement signed by the parties on 2012 December 21:

6. Article 10.5 – Training Premium

Effective 2013 January 16, the Employer and the Union agree to review the subject of a training premium and/or the definition of training at a bargaining sub-committee within sixty (60) days of 2013 January 16.

SCHEDULE "D"

This is Schedule "D" referred to in
Articles 9.5 and 9.6 of this Agreement

Dated this 11th day of August 1983.

Because both parties have been unable to agree upon certain issues arising from the 1981-82 Memorandum of Agreement and because both parties are desirous of obtaining a signed Collective Agreement, it is agreed that in order to enable the 1981-82 Collective Agreement to be signed, the areas of disagreement will be set out in this Schedule.

It is intended that by so doing, neither party will prejudice its position or views on these issues if either of the areas of disagreement were ever to reach arbitration.

The area of disagreement between the parties centers on whether meal breaks and meal allowances are applicable to certain categories of employees.

- (a) The Employer takes the position that the application of and accessibility to meal breaks and meal allowances only applies to Regular Full-Time and Temporary Full-Time Employees.
- (b) The Union takes the position that both meal breaks and meal allowances also apply to Auxiliary and/or Regular Part-Time Employees and that such application is on the basis of the employees working the equivalent of a regular day of a Full-Time Employee and where overtime subsequently occurs of such duration for the employee to qualify for a paid meal break, then such break would be paid at the appropriate overtime rate.

Because neither party wishes to alter their position and because both parties still desire to obtain a 1981-82 signed Collective Agreement it is agreed for the purposes of achieving both ends that:

Article VII, Section 6, (d) and (e) of the 1981-82 Collective Agreement will reflect the terminology "employee" and no reference will be made to Full-Time Employee.

This Schedule will be considered no longer in full force or effect when the differences on these issues have been resolved between the parties.

These supplementary vacation days may be taken in any of the years beginning with the one in which they were credited but prior to the one in which the next 5 days are credited.

Example:

An employee hired in 1997 is in their 11th calendar year during 2007. The employee in 2007 will be credited with 5 supplementary working days which may be taken at any time between 2007 and 2011, both years included. In 2012 the employee will be credited with a further 5 supplementary working days, etc.

*The working day entitlement is based upon a five-day work week.

SCHEDULE "F"

This is Schedule "F" referred to in
Article 20 of this Agreement

EMPLOYMENT STANDARDS ACT PRINCIPLES

The parties agree that the following principles are implicit in and form part of the terms of the Collective Agreement:

- (1) That, except where a provision in the Agreement or a currently accepted practice specifically contemplates otherwise, (for example, the Overtime, Callout and non-standard work week provisions) employees shall have not less than eight (8) consecutive hours free from work between each shift worked and not less than thirty-two (32) consecutive hours free from work between each week. Where an employee is required to work within the eight (8) or thirty-two (32) hour free period, the time worked during the work free period shall be subject to the appropriate overtime provisions.
- (2) That where an employee works a split shift, the shift shall be completed within twelve (12) hours of commencing such shift.
- (3) The eating period provided under the "Hours of Work" provision of the Agreement shall be scheduled so as to prevent an employee from working more than five (5) consecutive hours without an eating period. Regular Part-Time and Auxiliary Employees shall not work more than five (5) consecutive hours without an unpaid eating period.

This is the Letter of Understanding referred to in Articles 8.2 and 20 of this Agreement.

LETTER OF UNDERSTANDING

between

The Delta Police Board
(the "Employer")

and

The Canadian Union of Public Employees, Local 454
(the "Union")

HOURS OF WORK AND ACCUMULATED TIME OFF

A. Hours of Work

Effective 1999 February 23:

The following provisions shall be in addition to the Hours of Work provisions contained in the Collective Agreement:

1. The Employer shall have the ability to establish shifts on a 24 hour, 7 day basis for all employees except those covered by paragraphs A2 and A3. Employees covered by paragraph A2 or A3 who change positions as a result of successfully applying for posted positions shall no longer be covered by paragraph A2 or A3 and instead shall work the hours of work indicated for the posted position.
2. Regular Full-Time Employees employed before 1992 April 09, who are working day shift, shall not be required to work shifts pursuant to this Letter of Understanding and shall remain covered by the Hours of Work provisions contained in the Collective Agreement.
3. Regular Full-Time Employees employed before 1992 April 09, who are working rotating day/afternoon shifts in the Records Section, shall not be required to work shifts pursuant to this Letter of Understanding but shall continue to work their current shifts. The existence of this Letter of Understanding shall not prejudice either the Employers' or the Unions' position with regard to the current rotating shifts.
4. The Employer shall provide affected employees with a minimum of 48 hours' notice of a change in their start and finish times and a minimum of 1 weeks' notice of a change in their days of work, it being understood that such notice shall apply to all employees whether or not their shift is covered by this Letter of Understanding.

5. The Employer and the Union agree to meet as necessary to discuss additional shifting arrangements not already provided for in either the Collective Agreement or this Letter of Understanding, such as the period from midnight to 8 a.m.

B. Accumulated Time Off

The following provisions shall apply to all employees working a five (5) day week:

1. Each employee shall work an extra one-half ($\frac{1}{2}$) hour at straight-time rates each day to be accumulated as paid time off. Employees shall work the extra one-half ($\frac{1}{2}$) hour by reducing their current unpaid one (1) hour lunch break to one-half ($\frac{1}{2}$) hour.
2. The extra one-half ($\frac{1}{2}$) hour worked each day shall not trigger overtime, shift premium, or any other premium payment.
3. Accumulated Time Off (ATO) shall only be earned when an employee is actually at work and works the extra one-half ($\frac{1}{2}$) hour, e.g., it shall not be earned while on vacation, sick leave, public holidays, paid or unpaid leave of absence, or while absent on ATO.
4. ATO shall be taken off in the year it is earned unless mutually agreed otherwise by the employee and the Supervisor, but in no event shall it be taken later than March 15 of the following year. All ATO absences must be approved by the employee's Supervisor.
5. It is understood that as far as possible employees shall use ATO for doctor and dental appointments.
6. Acting Pay shall not be paid to employees performing higher level duties as a result of other employees being absent on ATO for periods of one (1) full day or less. Where an employee acts in a senior position for more than one (1) full day, the employee shall be paid for the first day.

This Letter of Understanding shall continue in force until 1993 December 31 and shall remain in force thereafter until either party serves written notice to cancel it during a period of bargaining. Such cancellation shall only be effective at the conclusion of such bargaining if no other arrangements are mutually agreed.

DATED: 1992 March 11

This Letter of Understanding was amended by the 1997-1999 Memorandum of Agreement dated 1999 January 26 and by the 2003-2006 Memorandum of Agreement dated 2003 March 28.

This is the Letter of Understanding referred to in Article 20 of this Agreement.

LETTER OF UNDERSTANDING

between

THE DELTA POLICE BOARD
(hereinafter called "the Employer")

and the

CANADIAN UNION OF PUBLIC EMPLOYEES – LOCAL 454
(hereinafter called "the Union")

JOB SHARING – CIVILIANS

The Employer and the Union agree that where a regular full-time employee requests to share their full-time position, that such job sharing agreements be mutually agreed upon using the following principles PROVIDED HOWEVER, that nothing in this Letter of Understanding shall be construed as altering the existing rights and/or obligations of either party under the Collective Agreement, except as specifically provided herein:

1. General

Where a regular full-time employee occupying a regular full-time position requests to share their position with another employee and has received formal approval from the Department Head and the Union, the Employee shall be entitled to do so in accordance with the provisions of this Letter of Understanding.

2. Procedure

- a) A regular full-time employee shall apply in writing to their Department Head indicating the reason for the request including the schedule of hours to be worked by each employee. A copy of this request shall be forwarded to the Union and the Superintendent, Administration Branch.
- b) Upon receipt of each application the Department Head will consult with our Human Resources and the Union and will make a determination as to whether the Job Share request will be approved and advise the employee accordingly.
- c) Any vacancy arising from a Job Share arrangement will be posted consistent with the Collective Agreement.
- d) Participation shall be limited to regular full-time and regular part-time employees who have completed their probationary period and are considered by the Employer to be qualified and capable of undertaking the work of the position proposed for job sharing.

- e) Participation in any Job Sharing arrangement shall normally be arranged from within the same classification.
- f) The position shall be shared on a 50-50 basis, the position can be split in a manner agreeable to the two job-share partners, their supervisor and the Department Head.
- g) When a Job Sharing arrangement is approved, the Employer will prepare a letter covering the terms and conditions of the Job Sharing arrangement to be signed by the Union and the Employer.
- h) Regular full-time employees will have their benefits prorated according to the proportion of their weekly hours to normal weekly hours for a full-time employee of same classification.
- i) Regular part-time employees with benefits will continue to receive their benefits on a prorated basis. Regular part-time employees without benefits will continue to receive the same in lieu of benefits as they would have prior to entering the job share arrangement.
- j) Participating members of a Job Share arrangement are not entitled to jointly apply for promotions or transfers.

3. Duration

- a) In order to allow the Job Sharing partners a reasonable time-frame in which to examine the suitability of each Job Sharing arrangement, each Job Sharing arrangement will be considered a trial Job Share for the first twelve months and will be reviewed annually thereafter.
- b) A Job Sharing arrangement may be terminated by either of the employees, by the Employer, or by the Union provided thirty (30) calendar day's written notice has been served to the other parties. Other employees temporarily appointed to fill positions vacated as a direct result of job sharing shall be advised at the time of their temporary appointment that their term in the position could be cut short as a result of an early cancellation.
- c) At the end of the Job Sharing term, the incumbents will revert to their previous positions.

4. Employee Status and Working Conditions

- a) A regular full-time employee in a Job Sharing arrangement shall continue to maintain the status of a regular full-time employee during the period of time covered by the Job Sharing arrangement and shall accumulate service seniority in proportion to the scheduled hours compared to the full-time hours of the position. Such an employee shall

be entitled to exercise bidding rights as a regular full-time employee and to use accumulated seniority for all applicable purposes including layoff, bumping and recall.

- b) The hours of work for the Job Share positions shall be as stated in the Collective Agreement. The Letter of Understanding for “Accumulated Time Off” shall not apply.
- c) The Job Sharing of a position will be on the basis of a 50/50 share. The work schedule for the position will remain as if the position were not shared. For the purposes of applying overtime (over daily or weekly maximum for a regular full-time position) and shift differential the Job Share will be treated as if it was a regular full-time position. The Employer will endeavour to be equitable.
- d) The general principles with respect to wage rates, employee benefit entitlements and premium payment for regular full-time employees in Job Sharing arrangements are as follows:
 - i. Wage shall be paid in accordance with the ratio that the employee’s scheduled weekly hours bears to the full-time hours of the position being shared.
 - ii. Paid leave benefits, such as Vacation, Public Holidays and Sick Leave shall be earned on a proportionate basis in accordance with the ratio that the employee’s scheduled weekly hours bears to the full-time hours of the position being shared.

5. Benefits and Entitlements

a) Vacation Entitlement

The employee’s annual vacation entitlement shall be prorated according to the number of weekly hours the employee is scheduled to work in comparison to the full-time hours of the position being shared. It is understood that the Employer shall not adjust the start date of the employee for the period of time spent in the Job Sharing arrangement and as such any future vacation entitlement shall not be delayed as a result of time spent in a Job Sharing arrangement.

b) Supplementary Vacation

Supplementary vacation shall not be prorated as a result of an employee participating in a Job Sharing arrangement.

c) Public Holidays

Where an employee’s normal hours of work are based on a five (5) day week, the employee shall take public holidays as they occur. The employee’s public holiday entitlement and pay shall be earned on a proportionate basis in accordance with the ratio

that the employee's scheduled weekly hours bears to the full-time hours of the position being shared.

d) Medical Services Plan, Extended Health, Dental and Group Life

The Employer shall pay a prorated share of the premiums for the above-noted benefits based on the proportion of the employees new scheduled hours compared to the full-time hours of the position being shared and the premiums normally paid by the Employer for a full-time employee. The employee shall pay the balance in order to maintain full coverage.

An example of the calculation of the Employer's share is as follows:

Employer share: 17.5 (scheduled hours)/35 (normal full-time hours)
 x 75% (employer's portion of premium)
 = 37.5% of premium

e) Sick Leave

For the period of the Job Sharing arrangement, the employee shall have sick leave credited on a prorated basis, calculated on the same proportionate basis as the employee's new scheduled hours bears to the full-time hours of the position being shared.

f) Municipal Superannuation Plan

Participants in a Job Share arrangement will continue their contributions to the Municipal Superannuation Plan and Special Agreement Plan on the basis of hours worked.

g) Increments

Employees sharing a position shall be eligible for increments on a prorated basis, calculated on the basis of hours worked.

6. Termination

Either party (Employer or Union) may cancel this Letter of Understanding by providing at least thirty (30) calendar days' written notice to the other party. Notwithstanding such cancellation, all Job Sharing arrangements in effect at the time of cancellation shall continue under the individual terms agreed upon.

Signed this 28 day of February, 2002.

LETTER OF UNDERSTANDING

between

THE DELTA POLICE BOARD
(hereinafter called "the Employer")

and the

CANADIAN UNION OF PUBLIC EMPLOYEES – LOCAL 454
(hereinafter called "the Union")

1. This Letter of Understanding shall apply to all classification and valuation reviews and grievances as of the date of signing, and continue in effect until cancelled and can be cancelled by either party with sixty days of written notice. It is agreed between the Board and the Union that the following procedures and classification and valuation criteria shall apply henceforth in the event that the Union, or the Board shall initiate a review of a position or class of positions with respect to classification or valuation, or the Board shall establish a new class of position. It is further agreed that an employee can initiate a request for reclassification only.

It is agreed between the parties that the class specifications in existence as of the date of this agreement shall be recognized and accepted by the Board and by the Union to be the foundation for the procedures contained in the Letter of Understanding.

2. **Purpose**

The purpose of a classification and/or valuation review shall be to analyze, classify and/or evaluate positions and classes of position with reference to and by comparison with the criteria specified herein.

3. **Class of Positions**

Class or class of positions means a group of positions within the jurisdiction of an individual Employer which are sufficiently similar with respect to type of duties, level of responsibilities and required qualifications, that the same descriptive title and the same monetary value may be equitably applied under substantially the same employment conditions and includes a single position which is not sufficiently similar to the aforementioned respects so as to warrant grouping it together with any other position.

4. **Reclassification Request – Who Can Initiate**

In any case where it is claimed that the duties, responsibilities or required qualifications of a position have been significantly changed, or are sufficiently dissimilar from the type of duties, level of responsibilities or required qualifications as described in the class specifications for the class to which the position is currently assigned so as to warrant reclassification, either the Board

or the Union or the incumbent employee may at any time initiate a request for reclassification of such position or if the Board at any time wishes to initiate or review of one or more positions within its jurisdiction for the purpose of determining whether or not it or they are properly classified. Any request for reclassification must identify the reason for the request.

5. Revaluation Review – Who Can Initiate

In any case where it is not claimed that the duties, responsibilities or required qualifications of a class of positions have been significantly changed, either the Board or the Union may nevertheless at any time initiate a request for revaluation of such classes of positions on the basis of a claim that such class of positions bears an inappropriate value when compared to criteria set out within this Letter of Understanding. Any request for revaluation must identify the reason for such request.

6. Questionnaire Distribution and Completion

Classification questionnaires shall be distributed by the Human Resources Branch to each employee occupying a position identified under a review request, regardless of how initiated. Each employee shall within fourteen (14) calendar days of receipt of the questionnaire complete the appropriate sections of the document and forward it to the Human Resources Branch.

The Human Resources Branch shall then distribute the questionnaires to the appropriate Supervisor and Manager for completion of the designated sections within a further fourteen (14) calendar days. The Manager shall return the completed questionnaires to the Human Resources Branch which shall, within a further seven (7) calendar days, forward them to the GVRD, Labour Relations Department (hereafter 'the LRD'), with a copy of each being simultaneously provided to the Union.

7. Interviews

Upon receipt of the completed questionnaires, the LRD will interview each position incumbent, or such representative position incumbents as are considered necessary, through the use of questionnaires and personal interviews with the position incumbents, and with Supervisors and Managers as required. The interviews, together with a report to the Board shall be completed within sixty (60) days of the date that the completed questionnaires are received by the LRD.

8. Assignment of Classes to Occupational Groups

Each class covered by the Collective Agreement is assigned to one or more occupational groups by mutual agreement as attached.

Each new class of positions which is established shall be assigned by the Employer to one or more occupational groups, and the Employer's decision which shall be communicated to the Union, shall have effect unless amended by mutual consent of the parties.

9. Assignment of New Positions

The Board shall possess the right to establish new positions. In each such case, the Board shall be required on a provisional basis to assign the position to an existing class, or to establish and evaluate a new class.

Where the Board has assigned the position on a provisional basis, there will be a subsequent review within six months of the position being filled, to ensure that the position has been properly classified and valued and a report shall be submitted to the Union.

10. Valuation of Classes

The LRD will assign a value to each new class of positions in a sound and equitable manner employing valuation criteria that exist within:

- a) directly related internal classes of positions;
- b) directly related external classes of positions within the pay plans maintained by the LRD.

In the event that anomalies or inconsistencies are apparent on the face of the criteria set out above, then the agreed to GVRD Regional Standard Benchmarks and amendments thereto as attached shall constitute the terminative criteria for valuation purposes and such criteria shall form part of the Letter of Understanding.

11. Report to the Union

The Board shall prepare and submit a final report to the Union within thirty (30) calendar days of receiving the report in paragraph #7 above. The final report shall contain the following information covering each review:

- a) a listing allocating all positions to classes;
- b) class specifications;
- c) a designation of the occupational group(s) to which each class has been allocated, and
- d) a valuation determination with respect to each class, predicated upon the criteria outlined in paragraph 10.

12. Union Acceptance of Corporation Decision

If the Union accepts the decision of the Board, the Union shall within thirty (30) calendar days notify the Board in writing of acceptance, and such written acceptance shall be deemed to be final and binding upon both the Board and the Union.

13. Submission of Disputes

In the event that the Union disputes either a classification decision or a valuation decision contained in the Board's report, then within thirty (30) calendar days of receipt of such report the Union shall submit in writing to the Board both the specific reasons for its disagreement and the remedy being sought.

The Union shall in respect of both its disagreement and its proposed solution limit its argument to the criteria set out in paragraph 10. Further, the Union shall limit its disagreement to:

- a) factual errors or omissions in the class specifications;
- b) inappropriate allocation of positions to classes; and/or
- c) valuation of decisions.

14. Resolution of DisputesJoint Committee

Any dispute submitted by the Union in accordance with the above shall be referred to a committee comprised of two representatives appointed by the Board and two representatives appointed by the Union.

The decision of the committee in respect of any such dispute shall be final and binding on both parties.

Arbitration

In the event that the committee is not able to reach agreement with respect to a dispute referred in accordance with the above, then within thirty (30) calendar days of the expiry of the committee's deliberations as set out above, the Union may refer the dispute to a mutually agreeable Arbitrator. Both parties shall limit their respective submissions to the Arbitrator to the criteria limitations set out in paragraphs ten and thirteen, and the Arbitrator shall in turn base his/her decision upon the same criteria.

Not later than fourteen (14) calendar days prior to the Arbitration Hearing date, the parties shall meet to exchange the facts and evidence to be presented at the Hearing. Within seven (7) days following the meeting, each party shall confirm in writing the facts and evidence they provided at the meeting. In the event either party wishes to submit new facts or evidence not exchanged prior to Hearing, they may do so upon mutual agreement of the parties.

The decision of the Arbitrator shall be final and binding upon both parties.

15. Implementation

The effective date of any changes resulting from a review initiated under these procedures shall be the date a review request was initiated in writing, and in any event no later than the date an employee completes a classification questionnaire.

16. Reclassification – Upward

In the event a class or class of positions is reclassified upwards, each incumbent will receive the new rate for the class in all cases where there exists a single rate of pay for such class. Where there exists a pay range for the class, each incumbent will be placed on the lowest step of the new pay range which exceeds the incumbent's previous rate. The increment date for an incumbent shall be amended accordingly

17. Revaluation – Upward

In the event a class is revalued upwards, each incumbent occupying a position within such class will receive the new rate for the class in all cases where there exists a single rate of pay for the said class. Where there exists a pay range for the class, each incumbent will be placed on the same step of the new pay range as occupied on the pay range for the class to which the incumbent's position previously belonged. The increment date for the incumbent of a position whose class has been revalued shall not be amended.

18. Reclassification and Revaluation – Downward

In the event a position or class of positions is reclassified downwards, or in the event a class of positions is revalued downwards, each incumbent of any such position shall be treated at the discretion of the Board in accordance with one or other of the two following methods:

- a) The incumbent shall with immediate effect have his/her rate of pay reduced to the appropriate new level for the class, and shall at the earliest reasonable opportunity following such reduction be paid a lump sum equivalent to twenty-four (24) times the monthly difference in the case of a salaried employee, or four thousand, one hundred, seventy-six (4,176) times the hourly difference in the case of an hourly rated employee, between the former pay rate and the new reduced pay rate; or
- b) For as long as the incumbent continues to occupy any position covered by the collective agreement, (s)he shall suffer no reduction in the rate of pay by virtue only of a reclassification downwards or a revaluation downwards and shall continue to receive all general pay increases and increments to which (s)he would otherwise have been entitled, PROVIDED THAT at any time during the two (2) years immediately following the date when the position was reclassified or the class in which the position was grouped, was revalued, then notwithstanding such reclassification or revaluation, the Employer may unilaterally promote such incumbent to any other vacant positions for which (s)he is qualified, and which is valued at the same level as the position was formerly valued.

- c) For the purposes of paragraph 18(a) where there exists a pay range for the class in question, the “appropriate new level for the class” shall have the following results:
 - 1. in all case of reclassification downwards, each incumbent occupying a position within such class, will be placed on the highest step of the new pay range which is lower than such incumbent’s previous rate, and the increment date for each such incumbent shall be amended accordingly.
 - 2. in all case of revaluation downwards; each incumbent occupying a position within such class, will be placed on the same step of the new pay range as such incumbent occupied on the pay range for the class to which such incumbent’s position previously belonged, and the increment date for each such incumbent shall not be amended.

19. **Extension of Time Limits**

Any time limit mentioned in this Letter may be extended by mutual agreement.
